PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 11/28/2023, 12/20/2023, a second report on 12/20/2024, and 1/08/2024.

On August 11, 2023, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Ms. Mager as outlined in the judgement and sentence. She signed a copy acknowledging the requirements.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

11	Special Condition #5: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
----	---

Supporting Evidence: On or about February 22, 2024, Amanda Mager allegedly violated special condition number 5 by consuming methamphetamine.

On February 23, 2024, this officer made contact with the offender at her residence to conduct an unscheduled home visit. At the conclusion of that visit, Ms. Mager was instructed to report to the U.S. Probation Office for random urinalysis testing.

Before arriving to the U.S. Probation Office, the offender contacted this officer and advised that she would be positive for methamphetamine. As instructed, Ms. Mager reported to the U.S. Probation Office and provided a urine sample that was presumptive positive for methamphetamine; she subsequently signed an admission of use form admitting to the use of methamphetamine on or about February 22, 2024.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
